WHS Class of '63,

60th Homecoming Activities

Wanted to touch base with everyone & make sure that Saturday, October 7 is on our calendars to celebrate our 60th homecoming, but mainly to get together like old times.

Our class is inducting Scott Taylor, Donnie Gressett, & Kaye Hodges Patterson into the WHS EX Students' Hall of Fame & Who's Who. This ceremony will take place in the auditorium of the Coleman JR HI across the street from HEB on Saturday morning at 11:00 AM. It would be wonderful to have many of our classmates there to support our honorees.

Then over to my house 816 Amherst Drive at 2pm for fun, fellowship & finger foods. ❤️❤️ We were planning to go down to the newly refurbished Texas Theater for the Waxa Jam at 7 where Scott was going to be honored, but not for sure about seating for all of us. 😞😞😞 Wishing so much it had been out at 'our' Optimist Youth Center.

Just know we will have a wonderful Saturday no matter what.

SO PUT THIS ON YOUR CALENDARS - SATURDAY, OCTOBER 7!!!!!!

Love to all my wonderful 1963 classmates ❤️❤️❤️
